THE PRESIDENT'S MESSAGE

We are now more than three-quarters of the way through our 1971-72 season and find it is time to thank the Community as a whole for the support you have given us during the season. In particular, the Recreation Department of March Township, the Ottawa-Carleton School Board and the staff of the Earl of March High School, have co-operated with us in all our endeavours.

This has been an enjoyable season for the membership of our Group; providing entertainment to all age groups and travelling to Smiths Falls to entertain the residents at the hospital there, has been a rewarding experience. We would like to welcome any of you who wish to take part in the Kanata Theatre Group and urge you to contact any member for information.

Tonight we hope you will enjoy this our third three-act production of the season.

Jim MacIntosh

Thank you Bill for transporting our equipment to and from Smiths Falls.
