KTG's Hansel and Gretel loudly acclaimed

The noisy enthusiasm of the young audiences at last week-end's performance of "Hansel and Gretel" almost overwhelmed the actors. However that was just part of the fun at the latest children's play presented by the Kanata Theatre Group.

The play ran longer and had less physical action than most of the previous KTG children's plays yet it held the attention of the audience except for a few odd moments. All of the cast performed well but Diana Fajrajsl was especially strong as the Witch. The simple but effective set well suited the production.

The cast was: Hansel, Peter Williams. Gretel, Sian Williams. Stepmother, Ann Hopper. Ernest, the father, Ian Freedman. Forest fairy, Pat Horsey. Witch, Diana Fajrajsl. Trudl, the cat, Linda Hansen.
