The Observatory

(a lighter look at the community)

by Ron Andoff

Saturday night the Kanata Theatre presented a Workshop production of 'Salad Days'. With it, Kanata Theatre gained a new dimension. This light musical comedy by Julian Slade and Dorothy Reynolds was made to measure for the first attempt at a musical for the Kanata group. The team of Philip Capple (Musical Director), Marcia Caple (Choreographer) and Anne Holland (Dramatic Director) brought together a delightful gathering of the Kanata Theatre members who reacted to the frothy music and happy plot in an obviously enjoyable manner. The audience was with them all the way! Let's hope for a full musical production in the near future.
