Coming December 2014!!

A topsy-turvy and touching Canadian musical about a young girl who comes to grips with loss and the reality of growing up. Jill wonders why the endings to three of her favourite fairy tales, *The Three Little Pigs*, *Goldilocks & the Three Bears*, and *The Three Billy Goats Gruff* seem to differ from when she read these tales with her Grandma. With the help of a detective and her favourite fairy tale characters, Jill learns that though real life may not be a fairytale, it can be just as amazing.
